New Jersey Big Data Alliance (NJBDA)

An alliance of higher education institutions...

New Jersey Big Data Alliance (NJBDA)

...industry members...

...and non-profit and governmental partners.

How to Get Involved

- Attend and present at the Annual Symposium

https://njbda.org/2025symposium/

- Participate in Monthly Meetings

- Participate in a Committee
  - ✓ Membership
  - ✓ Education & Training
  - ✓ Entrepreneurship
  - ✓ Research Collaborations
  - ✓ Government Relations
  - ✓ Advanced Computing Tech
  - ✓ Marketing and Outreach

- Sign up for the NJBDA listserv: *go.rutgers.edu/njbda_listserv*
- **Learn more: *njbda.org***

Journal of Big Data and AI (JBDAI)

- Open access peer-reviewed scholarly journal of the NJBDA [NEW → to an A in 7 to 10 years]

- Learn more: *https://jbdai.org/*   Contact: *editor@jbdai.org*

- **Join the Executive Editorial Board-2025 / Editorial Board / Reviewers Panel – Email us!**
- Areas of interest:
  - Artificial Intelligence (AI) - theory, applications, human interaction and impacts
  - Big Data Theory and Foundational Issues
  - Foundation Models / Large Language Models - theory, applications
  - Data - Theory and Foundational Issues
  - Data Mining Methods, Visualization
  - Algorithms - Machine, Deep, Reinforcement Learning
  - Informatics, Knowledge Discovery Processes
  - Intelligent Applications & Information Systems
  - Machine learning, AI Ethical, policy and economic asp
  - Big data analytics, data science and decision-making
  - Domain Applications of AI & big data (e.g. Finance, Po
  - Natural Language Processing, Understanding and Generation (NLP, NLU, NLG)
